

## WELCOME!

Thank you for taking the time to be part of our worship this morning, either in-person or online.

If you are a visitor, we extend a warm welcome to you. If you have any needs or questions, please contact us.

### ANNOUNCEMENTS AND EVENTS

- ❖ **Increased Seating Capacity:** The chairs in the auditorium have been rearranged to allow for more people to attend while still adhering the safety guidelines. Some rows have been blocked off completely and these seats must not be used. Families that live in the same house may sit together where practical, but at least one (1) empty chair should separate them from other “non-family” members. If you are by yourself, try to sit in the individual single seats that have been set up in the back of the auditorium. Remember:

1. Masks must still be worn correctly during the entire worship
2. Maintain social distancing and do not congregate in groups of more than five (5)

If you are not yet ready to come back, no problem. Only return when you feel comfortable, but please still stay connected using the online resources we have made available, e.g., Zoom, YouTube, Email, etc. If you are having problems doing that, let us know. Thanks for your patience and your continued prayers and support during this challenging time!

- ❖ **Prayer List Updates:** Please see the back of the Bulletin for the those in need of prayer. If you have any additions or updates that should be added to the Prayer List, send them to [jhncramer@aol.com](mailto:jhncramer@aol.com) no later than **7pm on Thursday** each week so they can be included in the bulletin.
- ❖ **OFFERING Update:** The **Collection Summary** that is on the back of bulletin shows how we are doing against our budget. Make sure to review this weekly and if you can give, please continue to give your regular weekly/monthly offering using one of the methods shown in the bulletin.
- ❖ **QUOTE TO THINK ABOUT:**

“Why is the cross the symbol of our faith? To find the answer look no farther than the cross itself. Its design couldn’t be simpler. One beam horizontal—the other vertical. One reaches out—like God’s love. The other reaches up—as does God’s holiness. One represents the width of his love; the other reflects the height of his holiness. The cross is the intersection. The cross is where God forgave his children without lowering his standards.” — Max Lucado, He Chose the Nails
